Re: Letter of Support for the Canadian Fallen Heroes Foundation

The Wetaskiwin & District Heritage Museum is honoured to be chosen as a recipient of the Canadian Fallen Heroes Foundation's Memorial Print Project. This important project humanizes those that selflessly served and gave their lives to protect the freedoms of our Nation. Local families and friends will have the opportunity to share the touching stories behind the veteran's names, while the public will be provided with a wealth of information in this project which puts a face to the fallen and preserves their memory.

Commemoration in this capacity is part of the shared values of the Heritage Museum's Board, Staff, Volunteers, and Members. It fits perfectly with our mission to unite with the local community through history, culture, events, education, and offers the local community another source to appreciate their servicemen and remember those who paid the ultimate price – lest we forget.

On behalf of the Heritage Museum Family, I would like to sincerely thank the Canadian Fallen Heroes Foundation for generously offering to gift these memorial prints to us. We will proudly display the stories of those Fallen Heroes who called our community home, and do what we can to help continue their memory.

The Foundation will be fundraising to support the necessary costs to produce these pictures. We fully support this fundraising campaign, and appreciate any donation you can make.

Sincerely,

Karen Aberle, PhD
Executive Director & Chief Curator
